# W Installation Guide

This document provides a step-by-step guide to installing WeemBAS Business Accounting Software. Follow each step carefully to ensure a smooth and successful installation

1. Installation Guide

Step 1: Request Download Link

Please Visit the WeemBAS Demo Page:

👉 https://weembas.com/demopage/

Fill out the download request form with your name and email address.

After submitting the form, a secure download link for the WeemBAS installer (.exe) will be sent to your email inbox.

Click the link in your email to download the official WeemBAS Setup

Step 2: Run the Installer
After downloading the **WeemBAS_Setup.exe** file, open your **Downloads** folder and locate the installer.

Double-click the file to launch the setup wizard.

Title: "WeemBAS Installer – Welcome"

The setup wizard will guide you through the installation steps:

- ✓ Accept the License Agreement

- ✓ Choose the installation directory

- ✓ Allow required components to install

- ✓ Confirm and begin installation

Once installation is finished, click **Finish** to complete the process.

Step 3: Complete Installation
Finish the installation and launch WeemBAS from the desktop shortcut.

1. **Finish the Setup**
   Once the installation wizard finishes copying files, click **Finish** to exit the setup.
2. **Launch WeemBAS**
   Locate the **WeemBAS** shortcut on your **desktop** or in the **Start Menu**.
   Double-click the icon to launch the application.
3. **Log In**
   Enter your **company credentials** or **demo account information** provided on the registration/demo page.
4. **First-Time Setup (Optional)**
   The application may prompt you to configure **basic settings**, like company name, default currency, or user preferences.
   Follow the on-screen instructions to complete these initial configurations.
5. **Start Using WeemBAS**
   You are now ready to **manage your business accounts smoothly** with WeemBAS.

You're All Set!
Congratulations! You have successfully installed WeemBAS and are now ready to manage your business accounts efficiently. For detailed instructions on using the software, refer to the **User Manual** or explore the **Help section** within the application.
